

March 27, 2022

The PCC/Cathedral of the Woods Board of Trustees have voted to update our church policy on masking. Beginning Sunday, March 27, 2022, masks will no longer be required to sing during worship. Masking during worship is now voluntary during all worship activities.

Please remember that the PCC Nursery is located in the Mohawk Trail end of the Todd Building. Trained, adult supervisors provide Nursery care each Sunday for infants through age 3 during the worship service. Covid 19 protocols are in place and nursery supervisors are masked and vaccinated.

The Nursery will reopen on April 10.

Your personal health as well as the health of the larger public are important to us. While restrictions are loosening now, there may come a time due to direction from public health agencies that we may have to return to stricter masking policies. Should that be the case, we ask that you assist us in continuing to comply with church policies around masking for the sake of public health and to protect small children that are unapproved to be vaccinated, that may have contact with those attending services. Masks will be provided for those who may forget them, as needed.

To access the livestream video from this Sunday's in-person service beginning at 10:00 a.m.

Thanks for your continued interest and faithfulness to our church as we have all gone through this strange time in the history of our world. If you are unable to attend services, but would like a call from the church, please contact the church office.

Blessings,

R. Tim Meadows, Ph.D., Senior Pastor

Deb Smith, President of the Board of Trustees

Linda Estacio, Vice President of Christian Ministry Board of Trustees
