## January 2026

**Worship Services at 8 & 10 AM  
Sunday School during the 10 AM Service  
Fellowship Hour at 11 AM**

### **Faith and Healing: God and Science Are Good Partners**

On January 18th, we are having a healing service during both worship services. During the service and after, I will be praying for healing of people and anointing them with oil. Before doctors and science brought healing, we humans relied on spiritual faith and prayer. Over the last 150 years modern medicine and science have made remarkable advances in healing. And yet, over the last 40 years, research has shown that the greatest level of healing occurs when we unite our faith in God with trust in medical science.

### **Connect Your Faith to Your Health**

When we connect our spiritual practices to our health, we are more likely to heal and heal faster. That does not mean that we will **ALWAYS** heal, we are mortal after all. But we have a better chance of healing when we do these things:

1. Pray thanks to God and focus on how God is doing good in your life and in the lives of friends/family.
2. Pray for healing.
3. Pray for God to help you understand how God is a part of your life in the midst of physical/mental health issues.
4. Ask for others to pray for you.
5. Pray for your doctor and the health care workers.
6. Tell people how God is working in your life.
7. Attend worship/watch online worship.
8. Do a morning devotional.
9. Volunteer to help in the church and community.
10. **TELL YOUR DOCTOR ABOUT YOUR FAITH.** Specifically, let your doctor know that you believe God uses science  
(*con't on p 4*)

During the December rotation, we taught the children what *Advent* means. We explained it's a special "waiting" time before Christmas, celebrating Jesus' arrival and focusing on Hope, Peace, Joy, and Love. Counting down to Jesus' birth, we prepare our hearts through kindness & prayer.

We made stained glass advent wreaths to teach us the meaning of each candle. The children took turns helping to light our advent wreath each week.

We also watched a very special movie called "The Small One" which tells the story of the donkey who had a very special job of carrying Mary to Bethlehem. We enjoyed a special "Nativity snack mix" that was a fun edible way to learn the Christmas story.

For our last lesson we talked about the nativity and made starlight nativity jars. We had a busy rotation.

## Youth News

The Youth Group did an exceptional job of shopping for toys for the Christian Caring Center children. They filled lots of hearts with joy when gifts were distributed.

Congratulations to our youth for spending the money budgeted by Mission Council wisely. They returned from their shopping trip with five cents to spare. Talk about budgeting down to the final pennies!

## We Are Thankful For Our Volunteers

The PCC Congregation is so grateful for the many volunteers who helped make the holiday services so special! Thank you to Jeff and Deb Smith who decorated the sanctuary and transformed it into a magical setting, those who provided sanctuary decorations, those who contributed to and offered beautiful music during the services—the Handbell Choir and director, Katie Kalinowski; the Cathedral Choir and director, Katie Teall; the Children’s Choir and director, Amy Talbot; the instrumentalists; the Christmas Eve soloists; and our indispensable organist, Sandy Ritter. Thank you to those who worked behind the scenes: the ushers, the participants in the 5pm Children’s Pageant, those who set up communion for the 7pm service and those who distributed candles during the candlelight services; the Estacio family who supervised the livestreaming of services so those who couldn’t be in attendance could watch from the comfort of their homes; those who decorated the exterior of the church and the campus. And, of course, a big thank you to Rev. Reed. All of you are greatly appreciated!

## Get Your Soup Orders In By January 18

In January our featured soup will be Portuguese, made mainly with sausage, tomatoes, and kidney beans. The cost remains \$10 a quart, and orders should be in by Sunday, January 18. Your purchases support Member Care’s purchase of Fellowship Hour supplies. Order forms will be available on January 4.

and medicine along with faith and prayer to bring healing into the world. Let your doctor/nurses know that you pray for them. "I thank God for the work you do in my life and in the lives of others."

Open your eyes to the ways God brings healing into your life through medicine, science, faith, and prayer.

**Glory to God, who is able to do far beyond all that we could ask  
or imagine by the Lord's power at work within us;  
glory to God in the church and in Christ Jesus for all generations,

***Several ways to get to know people in our congregation and volunteer at the same time!***

1. Host Fellowship Hour by signing up for a date on the signup sheet in the Todd Building. George Rosenkranz makes the coffee. You assemble supplies and provide some snacks. Contact the church office at 609-654-4220 if you have questions.
2. Make a casserole for the Christian Caring Center. Volunteers meet every Tuesday at 10am in the Todd Building to assemble casseroles from donated food. On Saturdays at 4pm, volunteers gather at Todd to pick up ingredients for the "take and make" casseroles.
3. Meet families with young children by volunteering as a nursery attendant. Contact Adrienne Foran at [azap188@hotmail.com](mailto:azap188@hotmail.com) for more information.
4. Join the Cathedral Choir at 7:30pm each Thursday or the Bell Choir on Tuesday at XXXX or the children's choir that practices Sunday mornings before Sunday school.
5. Join one of the church committees. See a board member for more information about meeting times and locations. Volunteer to be considered as a Board of Trustees member.
6. Volunteer to be a Sunday school teacher or helper. The number of children attending Sunday school has grown significantly and more help is needed.

There are more opportunities than listed here. Expand your horizons and become involved. You will quickly experience the rewards that come with service.

## Happy New Year from Mission Council!

We begin the New Year with feelings of joy and gratitude for our church family and friends. You shared the blessings of God's love when He gave us the Baby Jesus by generously donating gifts for the children of the Camden Rescue Mission, Christian Caring Center, Legacy Treatment Services, and Urban Promise. The need was even greater this past Christmas. For example in 2024, Camden Rescue Mission families totaled 350 with 800 children. In 2025, families totaled 530 with 1350 children. The Rev. Dr. Al and Mercedes Stewart sent PCC a message:

"Please give our heartfelt thank you to the church on our behalf. We couldn't do what God asked us to do if we didn't have you in our family."

Please join us on the second Monday of the month at 7pm in the Library for prayer, fellowship, and discussion.

Thank you so much,

*Diane Smith (Chair), Valerie Armstrong, Christie Clark, Emmy deCastro, Lynda Miller, Pat Morrone, Michele Rahinsky, Cid Richards*

Our PCC elves delivered gifts to Urban Promise (photo above) and to the Camden Rescue Mission (photo to the right) as well as the Christian Caring Center in Browns Mills and Legacy Treatment Services in Mount Holly. All recipients were extremely grateful for the generosity of our congregation and send their heartfelt thanks. Dian Smith and Ellie Yoder Mercy were elves, too.

Joseph's House is a Camden shelter that provides, meals, health care, and other support services for adults who are homeless. Our guests may need mental health and substance abuse services, and/or services for the disabled. These supports help stabilize those who are homeless and help them get off the street.

Guests arrive at Joseph's House at 8pm. The shelter is open 365 days a year. They are served a hot meal and are able to shower, wash their clothes and have a safe and warm place to sleep. Donations are used to help guests in their journey towards health. Please place your donations in the labeled box in the PCC office. Thank you so much for your generosity.

### Single Again

will have its first meeting in 2026 on Thursday,

January 22. It will be a planning meeting for the 1st half of the year. We will discuss holding our gatherings during the day, at least until Daylight Savings time returns, to alleviate night driving. Bring your leftover Christmas goodies if you want help making them disappear. Come join us in the Leopold Study at 6pm. Call Suzanne at 609-654-7593 if you need a ride.

Volunteers  
Are  
Needed

The nursery is open during the 10:00 service for children under 5 and is looking for volunteers! The nursery will be open each week that Sunday school is in session - no nursery on weeks where there is no Sunday school. If you would like to volunteer to help in the nursery, please contact Adrienne Foran at [azap188@hotmail.com](mailto:azap188@hotmail.com). Anyone over the age of 21 for lead teacher and 13 and over to be a helper are welcome! As Adrienne has announced in church, to grow our congregation, we need to have a nursery to accommodate families with young children.
